Property Description

Step into a world of unparalleled beauty and comfort with this newly constructed, eco-luxury 2-bedroom house in Uvita, Costa Rica. Perfectly situated in a serene and lush corner of town, this partially solar-powered home offers a rare blend of elegance and sustainability. From the captivating window-mountain-view in the kitchen to the clean and tranquil surroundings, every inch of this property celebrates the essence of Uvita's unique charm. Embrace the opportunity to reside in an area celebrated for its great location, making it a popular choice for rentals, and become a part of the rich tapestry that defines Costa Rica's exquisite coastal living.With its proximity to the iconic Whale's Tail National Park, exquisite restaurants (including a delightful Mexican eatery just steps away), and major shopping centers, this quarter-acre property epitomizes Uvita's allure. Here, you're just a 10-minute walk to untouched beaches or a 2-minute drive to the area's largest big-box store.
