Property Description

La Hacienda is a condominium located in Rio Oro Santa Ana. This amazing gated community, where developers choose to keep 35% of the land and turn it into parks, lakes, and common areas, the condominium offers the best security, infrastructure including cobblestone roads, as well as amazing common areas: multiple, swimming pools (25 meter swimming lane and recreational pool), gym, lounge and clubhouse. The development has become one of the most exclusive in the area with some of the best houses in the Country. The community provides a safe, and healthy environment to enjoy, which includes spending time in the outdoors, in the green areas and enjoy safe walks with abundant trees, natural beauty and amazing mountains views. This amazing house offers 3 bedrooms with a bathroom each, big living rooms and ample kitchen with state of the art appliances, laundry room, service bedroom with bathroom, storage and a big gated garage.
