Property Description

This amazing property located in Carrillos de Poas, has everything you could possibly need, endless fruit trees in the property, privacy, its on a really healthy neighborhood and environment, away from all the noise of the city, yet still super close to get all the services you can possibly need. Property offers 3 houses, the main house which is a beautiful Costa Rican style 2 bedroom/2 bathroom house with a big integrated kitchen and lots of natural light. There is also a caretaker house (238 square meters) on the plot of land right next to the house and on the lower part of the property you can find a beautiful guest house (144 square meters) that offers 2 bedrooms 1 bathroom and a common area. The house has an amazing big pool right next to a Rancho where you will find several different grills and cooking methods, you will be doing killer BBQs in this area. The Land is pretty big, currently the owner has Lambs in a small area of the property, they also have pastures areas with Amazing Guanacaste trees.
