Property Description

Welcome to Solaris, a brand-new luxury condo community in the most sought-after exclusive Reserva Conchal. With breathtaking ocean views, these 42 high-end residences offer a modern comfortable home, with open spaces, tasteful furniture, and a chef's kitchen. The master plan is distributed across 4 residential towers: Acacia, Caoba, Poró, and Surá which are 5 or 6 stories each. The project has been super successful! Building 4 has just been released and there are 3/42 condos left. Get one before they are gone! Living here is relaxing on your oversized terrace observing and listening to the extraordinary wildlife such as green parrots, howler monkeys, and humpback whales. Living here is creating new routines through outdoor experiences like hiking, mountain biking, boating, and swimming, or recharging with the vibrancy and charm of the local culture. Living here is enjoying a world-class golf course, tennis and pickleball courts, and the possibility to unlock entertainment, relaxation, and social connectivity through the pools, spas, restaurants, bars, and the other sleek facilities of Reserva Conchal.
