Property Description

Imagine the perfect lot with an incredible uninhibited view and then you strategically place the perfect home on that lot to maximize the view and the space around the home. That's what you get with Vista del Paraiso! When you enter the main home you will be impressed with the big open space which includes the living room area and kitchen/dining area. In addition, you will immediately see the high-quality construction and attention to detail. Large sliding doors from the living room open to an expansive outdoor living space. The large windows by the kitchen open as well creating a pass-through bar and entertainment area. There is an outside kitchen area has a sink and small refrigerator. The bar area creates an additional area for fun and entertaining. The main home is a 2 bedroom, 2.5 bathroom designed with bedrooms located on each end of the home. The guest house or Casita is self-contained suite with a complete kitchen that flows into a living and bedroom area.
