Property Description

Luxury three-bedroom, three-and-a-half-bath penthouse condo with a sumptuous private pool and ocean view terraces. This immaculately kept penthouse condo offers complete solitude, unimpeded panoramic ocean views, a private pool, and limitless ocean view decks. This well-built upper-level condo has 3 bedrooms, 3.5 bathrooms, a beautifully appointed kitchen, separate dining room, and living room, all of which connect seamlessly to the wrap-around covered ocean view terrace, which offers stunning panoramic views from virtually every corner of this unique space. The main bedroom includes an ensuite bathroom and a stunning ocean view, as well as direct access to the patio. The other two bedrooms feature ensuite baths and private woodland views as well. There is a guest toilet and a large utility area with in-unit laundry. On the bottom level, there is a garage and a gated entrance that leads to the private pool and an expansive, recently built terrace with lots of shady sitting area, as well as an ample sunning deck and outdoor shower.
