Property Description

This spacious two-story home is located in a popular and secure gated community close to the center of Atenas, also known for its best climate in the world. It sits on a large property and is built against the hillside, offering a great view from all of the rooms of the house. On the main floor you will find a lovely living room, where you can watch TV or just sit and relax. There is also an area for desk and home office set-up. The primary bedroom is also on the main floor with gorgeous valley views. It has an en-suite bathroom with a large soaking tub. Imagine waking up to that every morning. The open concept indoor/outdoor living design provides a seamless transition between the chef's kitchen and outside terrace creating one large, beautiful space. You will enjoy having everyone together for an evening meal or sipping coffee and watching the birds in the morning. Quality time. You can relax on the lounge set, overlooking mango trees and enjoy the view or play a game at the kitchen table.
