Property Description

Newly built modern condo– Walk to the Beach! Discover this stunning brand-new apartment in one of Tamarindo’s most sought-after locations. This stunning, modern 2-bedroom, 1-bathroom home offers breathtaking views of lush green fields, where you can often spot monkeys, horses, and grazing cows from your expansive private terrace—the perfect spot for dining and lounging in nature. Key Features: Prime Location – Walking distance to the beach, restaurants, banks, and shops. Sunny & Stylish Space – Thoughtfully designed with custom woodwork, built-in closets, and high-end finishes. Exclusive Amenities – Underground titled parking space, secure storage unit, a poolside lounge area, and outdoor dining space. Solid Construction & Warranty – Built with high-quality concrete blocks and backed by a 5-year construction warranty. The building completed construction in 2025. Ideal for Investment or Living – Perfect as a vacation rental or a tranquil full-time residence in one of Tamarindo’s quietest areas.
