Property Description

Introducing Casa Angelina – Custom-Designed Luxury Residence by Freddy Builder, ideally situated in the Exclusive Brisas Community of the Luxury Gated Community fo Hacienda Pinilla. Set on an impeccably manicured half-acre homesite bordering a green zone, this 300 m² masterpiece blends elevated tropical living with refined contemporary design. Designed with serenity at its core, Casa Angelina features four bedrooms and three and a half baths, each curated with minimalist Asian-inspired accents, bespoke artwork, and a soothing Zen ambiance. Private bedroom suites open to lush landscaping, while the home's signature shaded pavilion—a Freddy Builder hallmark—creates the perfect sanctuary for poolside lounging, reading, meditation, or yoga. The open-concept kitchen is crafted for both style and performance, showcasing sleek custom cabinetry, quartz surfaces, stainless-steel appliances, and an oversized walk-in pantry.
