Property Description

Welcome to Hotel Cabinas La Luna Lodge, located just 5 km from Coyote Beach, one of Costa Rica's most pristine beaches. This property, surrounded by palm trees, spans approximately 1,800 m² and is divided into two lots. Designed in a traditional Costa Rican style, the lodge features wooden posts and walls painted in warm colors that reflect local architecture; this creates a welcoming and charming atmosphere. Guests will enjoy ample parking and beautiful gardens filled with native plants and flowers. The property also includes a carport and a garage used for storage, conveniently located near the main entrance. Built with durability in mind, the lodge is made of reinforced concrete and steel, ensuring it can withstand seismic activity. The accommodation complex consists of two sections. The larger section includes six rooms of varying sizes, all with direct access to the garden and a shared pool.
