Property Description

This stunning, brand-new home is a fantastic investment opportunity in the heart of Jaco! Ideally designed for large rental groups, the property offers an elegant, contemporary feel with expansive, light-filled spaces and impressive outdoor amenities. Enjoy a spacious outdoor area complete with a large pool, covered kitchen, and BBQ zone – perfect for gatherings and relaxation. Inside, the home is luxurious and airy, featuring floor-to-ceiling windows that connect the indoor spaces seamlessly to the lush gardens. The open-plan layout flows from a high-end kitchen and large dining area to cozy living spaces, while a charming outdoor living room on the second floor offers additional space for guests to unwind. The main level leads directly to the pool and is designed to celebrate tropical living. The well-equipped outdoor kitchen and lounge are ideal for socializing or enjoying quiet moments.
