Property Description

Land with 2 spacious houses and warehouses in Desamparados. The property includes two houses, comprised as follows: House 1 (250 sq m): Single-story house with fine finishes, spacious living and dining room, guest bathroom, large kitchen with island and granite countertops, two secondary bedrooms that share a bathroom, a very spacious master bedroom with a full bathroom and jacuzzi, and a covered garage for three cars. House 2 (411 sq m): This house has two levels, four secondary bedrooms (one with an en-suite bathroom and three sharing a bathroom), a master bedroom with a full bathroom, jacuzzi, walk-in closet, and office. The first floor features a spacious living room, dining room, and kitchen, a laundry area, a covered patio for events, and a covered garage for two cars. The property also includes two large warehouses totaling 530 sq m, ample gardens with space for more than 15 cars, and a covered patio for events.
