Property Description

This tropical escape is located on a 5.5 acre lot with easy access to Santa Teresa (some of the best surfing in Costa Rica) and Montezuma (8 minutes to the Pacific Ocean). The property is two plots of land sold together to create an amazing atmosphere. Nature is in its abundance here, with Mango, Apple and Papaya trees, private entrance to the Montezuma River running the back perimeter with waterfalls, small pond filled with frogs and walking trails. Nothing to do but pick your fruit and make the an amazing smoothie or juice allowing nature to eat up the rest. Frequent visitors to the property are howler monkeys, they love the mangoes, Scarlet Macaws enjoy the palms and Aracarís that enjoy the papayas. The beautiful flowers bring the bees and butterflies. Sunsets can be seen over the roof tops, the perfect ending to everyday! There are two casitas. One casita is a two bedroom one bathroom with oversized kitchen.
