ID: 24773

📍 Playa Potrero, Guanacaste

- Property Type: Commercial
- Size: 985 sq m
- 0.24 Acres

Property Description

This 985 m² property offers an exceptional investment opportunity in one of Guanacaste's fastest-growing coastal markets. With 22 meters of public road frontage and prime positioning just steps from the beach, it is ideally suited for hospitality, retail, or mixed-use development.

Property Highlights

The site currently features a container-based commercial center with approximately 350 m² of covered construction, including:

- A café
- Multiple office spaces
- Restaurant areas

In addition, a two-bedroom residence on the property provides extra income potential or on-site housing for management—creating a strong balance of business and residential value.

Strategic Location

Only 300 meters from the sandy shoreline of Playa Potrero and minutes away from the new Flamingo Marina, this property sits at the heart of a community experiencing dynamic growth. Potrero has rapidly evolved into a hub of restaurants, shops, and services that cater to both the local population and a thriving international expat community, all while maintaining its relaxed coastal atmosphere.
