Property Description

An extraordinary opportunity to own one of Playa Flamingo's most coveted coastal properties—a rare 1,437.76 m² ocean-view estate lot offering private beach access, panoramic Pacific vistas, and immediate proximity to the brand-new, full-service Flamingo Marina. Located within one of Costa Rica's most prestigious seaside enclaves, this exceptional parcel presents the ideal canvas for a signature private residence, luxury villa collection, or boutique hospitality concept, seamlessly blending exclusivity, natural beauty, and elevated coastal living.

Property Highlights

- 1,437.76 m² Prime Estate Lot
- Generous dimensions suitable for a grand villa, luxury condominiums, or a multi-residence compound (subject to zoning).
- Sweeping Ocean Views
- Elevated positioning captures expansive views of Flamingo's turquoise waters, Playa Potrero, and the Catalina Islands.
- Private Beach Access
- A rare and highly valuable feature, offering discreet access to a pristine stretch of coastline directly from the property.
