Property Description

As you step inside, a spacious hallway leads you to a fully equipped kitchen and an intimate living room, perfect for gatherings. Outdoors, a glimmering pool and covered deck area beckon for leisurely afternoons, weekend barbecues, or twilight cocktails. Upstairs, the bedrooms open up to awe-inspiring views of Las Baulas National Marine Park named for the leatherback sea turtles that nest and hatch there making it truly enchanting retreat. Enjoy the beach life and the Pura Vida life style in your very own investment property! Or choose to live full-time at the eco-friendly Tamarindo Park gated community. With views over national parkland and tropical valleys, Casa Garza is an exceptional gem among Tamarindo Parks valley-view residences. An elegant two-story, four-bedroom home, it is designed to harmonize with the beauty of its surroundings. Expansive, full-height windows adorn every corner, allowing you to immerse yourself in the natural world outside.
