Property Description

Located in the foothills of the Poas volcano, this family compound is a one-of-a-kind find. With a huge 3500 square foot main house and 3 casitas at 900 sq ft, your friends and family will love coming to visit you! The main house is perfectly designed. It features a huge kitchen area, and there is space for everyone to cook in this kitchen! The open design living and dining area maintains the family together theme. There is a fireplace as well as French doors that lead out to the covered terrace. The views from every room are spectacular. The huge pantry offers tons of space, and the walk-in laundry room is super convenient. You will also find a formal dining room with spectacular views! There is also a full bathroom on the first floor. Upstairs is the bedroom, another full bathroom, and the spectacular game/bar room. Complete with a sink and the capability to cook, your friends will love to come play cards or a game of pool! The little balcony is perfect with the club chairs to keep everyone involved in the action.
