Property Description

For sale: large 5-bedroom house with panoramic views, with 5,000 m² of land, Barrio Holandés Description Exclusive 5,000 m² property consisting of a house located entirely in the Holandés neighborhood, San Ramón, canton of La Unión, province of Cartago. A very rare opportunity: property for sale in a neighborhood where nobody wants to leave. Ideal for a family with children. One of the great strengths of this property is its proximity to the best educational centers in the country, particularly the Liceo Franco, located a maximum of 10 minutes away. The Barrio Holandés residence is particularly exclusive and discreet, with security and cameras. The villa consists of two buildings, the first being the main house, which has 5 bedrooms, 4 full bathrooms, closets, a cellar, a kitchen, a living room, and a room with floor-to-ceiling windows that offer an impressive view of the tropical garden and yard.
