Property Description

Connect with nature on your own rooftop jungle deck designed for howler monkey and wildlife viewing. Separate container guest house ideal for rental income, guests, or staff. Two-story windows that frame the jungle and fill the home with natural light. Open-concept layout with connected indoor-outdoor living. Two spacious primary bedrooms, each with its own en-suite bathroom. True sanctuary feel immersed in the jungle, yet minutes to everything Puerto Viejo has to offer. Casa de Los Howlers is a one-of-a-kind jungle refuge in Playa Negra, on Costa Rica's southern Caribbean coast, just north of Puerto Viejo. Tucked beneath a lush canopy of mature trees along a quiet creek, this property offers complete privacy and a tropical feel, just 300 meters from the beach and minutes from local restaurants, surf spots, and town amenities. Here, the daily soundtrack is the call of howler monkeys and the gentle rustle of leaves in the breeze.
