## Property Description

Naturally-lit spaces and contemporary architecture characterize Blanca Home in Daluz. Areas are distributed in three floors, the uppermost offering a multiuse room with a complete bathroom and access to a spacious terrace with treetop and mountain views. Blanca in Daluz's indoor social area on the main level opens to a deck-styled terrace beside a landscaped garden. This family home offers privacy and safety within the exclusive Daluz condominium in San Rafael de Escazú, minutes from Multiplaza, commercial and corporate centers, and all that Escazú offers for dining and entertainment. The façade of Blanca Home in Daluz is characterized by white contemporary design with expansive windows and manicured gardens. Upon entering, the social area offers a fresh greeting with a slate stone wall that divides the dining room from the living area and views toward the garden. Blanca in Daluz's social area incorporates plenty of natural light due to its multiple windows and has separate accesses to the terrace and the garden.
