Property Description

URGENT SALE! A premier investment opportunity in the heart of Uvita. This profitable, turnkey 14-unit hotel is now offered at \$1,050,000 (17.9% Cap Rate), a price set for a quick sale, significantly below its verified income-based valuation. The property generated \$337,955 in gross revenue with a strong 82% average occupancy in 2024, confirmed by certified financial reports. The hotel boasts an exceptional reputation with a 9.1/10 on Booking.com and 9.4/10 on Expedia, driving consistent demand. Features include 14 apartment-style units with kitchenettes, a pool, and lush gardens. A significant value-add opportunity exists with the on-site, fully permitted restaurant and bar, currently only used for complimentary breakfast. This is a rare chance to acquire a high-performing hospitality asset with stable cash flow and immediate equity at an unbeatable price. Contact us for a full financial prospectus.
