Property Description

This romantic country bungalow has been built with local natural rock and native woods with a tiled roof, and is located bordering a very rural old fashioned Tico village on a hilltop in the country side. It offers an authentic experience of the Costa Rican tropical outdoors lifestyle as opposed to mass tourism and commercial holidays. Activities in the area include horseback rides, visits of Monteverde, and the inevitable beach of Playa Blanca. The property is located 15 minutes from the beach, an hour from Monteverde national park, half an hour from Puntarenas (fishing) and almost on the border with Guanacaste. We have renovated this old country house like an old antique house and also to maintain its authenticity. • It offers two bedrooms, of which one is an ocean view Master suite with king-sized bed and of course the Jacuzzi. The second bedroom has a queen size bed and private small terrace overlooking the garden.
