Property Description

For sale: beautiful property of 10,000 m² (1 hectare / approximately 2.47 acres) located in an area of great natural beauty with easy access. The property features a cozy rustic cabin, recently upgraded with a closed-in deck and security bars, reaching approximately 40 m² (about 430 square feet) of construction. This cabin was built in 2023. Next to the cabin is a spacious flat area with stunning 360° panoramic views of the majestic volcanic mountain range and the Central Pacific Ocean, creating a visually spectacular setting. The land has an 85% usable topography and includes fruit trees and a variety of timber trees, forming a private forest that offers peace, beauty, and a unique connection with nature. The property is fully serviced with potable water provided by ASADA, electricity by ICE, and fiber optic internet. It also has a registered land survey and building permits. Access is very convenient, with a paved road leading to the last 400 meters, which are on a well-maintained dirt road accessible year-round.
