Property Description

Experience beachfront luxury at Palms #33, a rare titled property in the heart of Playa Flamingo, Guanacaste. Located within The Palms—an exclusive community of just 34 residences on pristine white sand—this ground-floor corner condo offers privacy and direct beach access. This 3-bedroom, 3.5-bathroom residence spans 2,831 sq ft and features high ceilings, travertine floors, and stunning ocean views. The open layout flows seamlessly to a spacious patio, creating effortless indoor-outdoor living. The gourmet kitchen includes Sub-Zero and Viking appliances, granite countertops, and a beautiful onyx bar—perfect for entertaining. Two oceanfront master suites offer king beds, spa-like bathrooms, and views of the Catalina Islands, while the third bedroom provides comfort and privacy for guests. Offered fully furnished and turn-key, Palms #33 is ideal as a full-time residence or vacation rental.
