Property Description

Located in a peaceful and secure gated community in the mountains of Puriscal, Costa Rica, this property offers a truly unique living experience in direct contact with nature (3.2 acres). The home, inspired by Spanish-style architecture, features 260 square meters (approximately 2,800 square feet) of construction, blending functionality, spaciousness, and aesthetics with quality materials and carefully selected finishes. It offers three bedrooms and two and a half bathrooms, with generous, well-ventilated spaces filled with natural light thanks to large sliding glass doors that create a harmonious connection between the interior and the surrounding landscape. Nearly every corner of the home offers unobstructed views of the surrounding mountains, providing a sense of peace and well-being. The outdoor area includes a large patio with privileged views of a 24-meter-high natural waterfall, as well as a decorative artificial waterfall framed by ornamental gardens.
