## Property Description

Discover an incredible investment opportunity in the heart of Playa Grande. This property sits on a spacious 884 m<sup>2</sup> lot right on the main road, offering excellent visibility and accessibility. The existing 700 m<sup>2</sup> construction was previously used as a wood shop and provides a versatile layout that can be adapted for multiple uses—ideal for commercial spaces or a combination of residential and business use. The solid structure gives you a head start to customize and create the project that fits your vision. The property has water access and is located in one of Guanacaste's most sought-after beach communities, just minutes from world-famous surf, pristine nature, and growing infrastructure. Whether you're looking to start a new business or expand your real estate portfolio, this is a must-see opportunity. ? Prime location – Playa Grande main road ?
