Property Description

Located 20 minutes from La Fortuna, you will find this beautiful 2,389 square meter (0.59 acre) lot with a one-bedroom, one-bathroom small house measuring 42 square meters (452 square feet) in need of restoration at the back of the property, with water, electricity and access to high-speed internet. The entire land is flat and only 300 meters from the main road. Perfect for living and turning it into something beautiful. There is plenty of land to undertake a project or even build additional cabins to generate income from tourists. This lot has a small stream on the side, so the water can be used for a pool or to create a pond and have your own fish. This property has many great uses. It is a very peaceful and quiet place, not crowded at all, with very few neighbors in this rural area. The lot has a beautiful front fence with lion head columns. It also features some fruit trees and an avocado tree.
