## Property Description

Location. Privacy. Exclusivity. Often times hard to find a property that checks all of the boxes, however, this Hacienda Estate truly defies your wildest imagination. The location is truly set in the heart of the most desirable area of Escazu, within a short walk to restaurants, convenience stores, coffee shops, pharmacies, gyms and more, however, blink twice and you will never see the subdued entrance that opens up into this true oasis. Once you enter the driveway, your curiosity will peak as you enter the private gate, and pull up to the front of the home. Although you are in the middle of one of the most affluent and bustling areas of the western suburbs, you will feel as if you drove into the countryside for a weekend getaway. As you walk up the entry stairs and into the home through the custom, double doors, you will note the custom artisan work throughout the social areas of the home including the vaulted, two story ceilings with impeccable wood accents, Colombian stone floor, as well as the accordion style, foldable doors that bring the one and a half acre backyard indoors.
