Property Description

A beautiful property is for sale, offering stunning views and guaranteed peace and tranquility. The property can be subdivided into two lots of 10,000 m² each (2.47 acres), priced at \$25 per square meter. The land offers ample space with the potential to create various levels for custom construction. If you're looking for relaxation, you could build an infinity-edge pool to fully enjoy the panoramic views. Additionally, the property has access to a water supply from a well located on the main estate, ensuring a constant water source. The location is ideal—situated along a paved public road and only 10 minutes from supermarkets, clinics, and pharmacies. Its strategic position allows you to reach Juan Santamaría International Airport in just 35 minutes. Beach lovers can enjoy the beautiful Pacific beaches in just one hour or marvel at the majestic Arenal Volcano in only two hours. You can also unwind in the hot springs of La Fortuna de San Carlos, just two hours away.
