Property Description

Large 1.25 acre lot. Due to its topography and orientation, it offers exquisite mountains and different ocean views. In one of its building pads, the higher one next to the Pacific Heights Road, you will see the Flamingo Marina on one side and the sunset towards the new Zapotillal development on the other. A lower building pad offers additional room with ocean views for an expansive construction. Pacific Heights Road is a well-sought location in the Potrero/Flamingo area, with multiple luxury homes. Some of them are very successful in vacation rentals. This is an ideal site for your residential project.
