Property Description

This beautiful near the beach 3-bedroom home is perfectly situated 20 min. between Quepos / Manuel Antonio and Jaco Beach; with the new highway it is only about a 1 ½ hour drive from San Jose. If you are looking for the perfect place to disconnect from stress and relax in a paradisiacal environment, this property is ideal! Located in a privileged area of Costa Rica, on Palo Seco beach, this place is simply impressive. Palo Seco represents the next generation of beachfront development between Jaco and Quepos/Manuel Antonio. The Palo Seco beaches remain unspoiled and stretch as far as the eye can see. Palo Seco is a 7-km long, quiet beach with little tourist activity, backed by an estuary system rife with local wildlife (i.e. monkeys, birds, iguanas, etc.). Several luxury homes are popping up, as well, and these developments promise gentrification for the area in the near future. • Palo Seco beach is right in front of the property.
