## Property Description

Living very close to Manuel Antonio Park or building apartments to rent, this is a property with a strategic location for any development. Downtown Quepos is also a few minutes walking. The mountains around this property allow many animals to visit the roofs of neighboring houses so the entertainment of the monkeys is guaranteed. The distance between the center of Quepos and Manuel Antonio is only 7 kilometers and the location of this property is ideal because you can also reach the other beaches and activities that are part of the entire county in less than 35 minutes.
