## Property Description

I found this nice house for sale in the Bosque del Sol Condominium in Coyolar de Orotina. It is a four bedroom house with three bathrooms. It has a pool. The house is on two lots of land that total 1,277 meters. This house is perfect for families or people who want a place to live that is still close to everything. The house is located near Route 27 so it is easy to get to San José, which's the capital of Costa Rica. It takes forty five minutes to drive to San José. The new hospital in Puntarenas is thirty minutes away. If you like the beach it takes thirty five minutes to get to Playa Jacó and the Marriott Los Sueños Golf & Marina Resort. The town of Orotina is a few minutes away and it will have a new international airport and some industrial parks soon. The house is made of wood, metal and cement. It has big windows that look out over the mangrove forest. The house is fully. It has all the appliances you need.
