Property Description

PURA VIDA CASAS is made up of three nice houses, all connected to make a great place for weddings, business meetings, yoga getaways and family gatherings. This place has a view of the ocean. Is only five minutes from the beach. It is located in Esterillos on Costa Ricas Central Pacific Coast between the towns of Jaco Beach and Manuel Antonio. When you are here you will see a lot of jungle, coconut trees, colorful animals and big waves crashing. All of this will help you relax and enjoy the PURA VIDA! The three houses are: Casa Cielo. It's like a little piece of heaven. The inside of the house is big. Has a lot of light with nice floors made of Italian stone and wooden floors in the bedrooms. The ceilings are really high which makes the house feel even bigger. The rooftop is great for doing yoga watching birds and seeing the sun come up or go down. The house stays cool because of the breeze that blows most of the day.
