Property Description

This is the perfect condo for someone who has always dreamed of a place overlooking the ocean. This two bedroom condo has unobstructed views of Potrero Bay and the Flamingo Marina, and is just steps from a semi-private beach. The kitchen is complete with hardwood cabinets and granite counters. The Flamingo Marina Resort is one of the best communities in the area, with its well maintained property, and plenty of amenities. The condo is located in downtown Flamingo, with many restaurants and shops within walking distance. There are several swimming pools, a tennis court, plus a great restaurant and bar which overlook the ocean on the premises. There are few opportunities in life to own an oceanfront condo at this price, anywhere in the world, especially in a community like Flamingo.
