Property Description

What a great find - this condo has been fully remodeled. The enclosed front terrace was extended and has cabinet space. The kitchen has been renovated and a nice bar was added which allows for more conviviality. The bathrooms are both gorgeous. Full size of 70m2/750sqft not including front and back terrace. The community is located in Las Palmas and 150m away from the beach making it a prime location for vacation rental. A few steps away from the Pueblito Norte/Sur commercial center where plenty of restaurants/bars are located and even a small supermarket.
