Property Description

Casa Dos Gatos is a unique rancho style build on almost an acre on land, consisting of three structures surrounding an infinity edged pool on an ocean view. Convienently located on a hillside in the residential K section of Playa Guiones approximately 7 to 10 minute walk to the beach. Huge mature trees, lush tropical gardens and breezes due to the elevation of the property. The main building has a large living room, a kitchen and a loft bedroom and full bathroom. The other two structures are king sized suites with their own outdoor showers facing the ocean and jungle views. The house is fully equipped for entertaining and enjoying the outdoor living.For more information please contact Chiqui Yanz at chiqui@surfingnosara.com.
