Property Description

This home is a brand new custom home carefully built on an ocean view ridge in Ojochal. Arrive at the beautifully designed gate complete with full lighting for an elegant first impression. Upon entering the home you walk into the large open floor plan of the kitchen and living room complete with vaulted ceilings extending to the beautiful built-in infinity-edge pool. As you look up the Ocean and Cano Island are perfectly framed between giant bamboo and lush jungle directly in front of you. The property has imported polished stone that caps the beautifully built kitchen cabinets all crafted with local hardwoods. The kitchen island adds to the open layout. There is plenty of room for guests or a family with 3 bedrooms and 2 bathrooms. Master bedroom boasts an indoor and outdoor shower. There is perfectly placed lightning throughout the house in addition to the carefully placed awning windows running the length of the building.
