Property Description

This beautiful home is located in a very private setting in the Cinco Ventanas section of Ojochal. The property has gently rolling yard space with grass and fruit trees (all a few years old) creating a park-like setting. Only 5-6 minutes off the pavement and less than 10 minutes to amenities and restaurants, and 12-15 minutes to numerous area beaches like Playa Tortuga, Playa Ventanas, Playa Pinuellas, Playa Arco, Playa Ballena, and the Marino Ballena National Park. The home is well built with nice quality finishes, tiles, doors, and windows. Comfortable 2 bedroom and 2 bath design with an office area that could be easily converted to a third bedroom if one desired. The bedrooms are air conditioned and the office space is wired and plumbed to add an A/C if it were converted to a bedroom. Spacious living room and kitchen all with high vaulted ceilings open to an oversized covered terrace with outdoor dining and lounging area overlooking the pool and sun deck.
