Property Description

Lot Taranta (#22) is one of the premier lots in the Finca Tarantela community. Bordering the adjacent river from which Taranta bears its name, this one is just a short five minute drive from Samara. It has a private access that connects it with the main street. Once on the property an incredible view of the surrounding valley is the first impression of this beautiful place, surrounded by trees and the endemic jungle of the place. The lot is totally on a plain, which facilitates construction and access to all services public. Its vast surface makes it ideal for developing a large-scale housing project, either commercial or ecotourism. Do not miss this unique opportunity, it will not be on the market for long.
