Property Description

Contemporary Jewel with Spectacular Views in the Mountains of Escazu If you are looking for a contemporary home with spectacular views, lots of natural light, luxurious finishes, and the ability to conduct your fitness routine at home and grow your own vegetables this is the ideal place to live. This 6,243 sf (580m²), contemporary jewel is located in the mountains of San Antonio de Escazú, just 8 minutes from La Paco shopping center, with the most spectacular views of the Central Valley. Built on almost one acre (3850 m²), the design features luxurious finishes, solar technology, and lots of windows and balconies to take advantage of the views and provide natural light. The main entrance is accessed via a bridge that connects the driveway to the second floor of the house. A secondary entrance connects the 2-car garage to the kitchen on the second floor. The total parking area can accommodate 5 cars.
