Property Description

Enjoy one of the few opportunities to live right on the beach in Costa Rica, in your own single family home with 24/7 gated security. You simply won't find titled beachfront home communities like this in Costa Rica, and added bonus, incredible price of \$165 per square foot! This 3 bedroom, 2.5 bath floorplan features a single car garage, open floorplan and is just steps from the common area pool and to the sand. Only 26 total homes, this quiet community is ideal for snowbirds or those looking to live in Costa Rica full time.
