Property Description

Within this lovely fenced property with a convenient electric gate, is a beautiful home surrounded by jungle. Located just a 10-minute walk to the village of Platanillo, where you will find grocery stores, bakery, meat market, restaurants, bar, doctor's office, church and community hall, etc. The property is approximately 423 meters above sea level, where the cooler mountain breezes and less humidity provide a comfortable climate. Yet Dominical Beach is just a 15-minute drive away. The second-largest city in Costa Rica is San Isidro, which is about a 30-minute drive from the great city shopping. This 2,131 sq. ft. home has had thoughtful renovations to make this modern, open concept home a true treasure. New tile floors and high ceilings add to the spacious, open feel of the home. The large new kitchen features easy-clean stainless steel countertops and backsplash, double stainless steel sinks with a stylish faucet.
