Property Description

A gorgeous 5.000 square meters property featuring a spectacular four bedroom home, swimming pool, plenty of outdoor living spaces and a multi-use court. This amazing property is located in Orotina, in the province of Alajuela. Orotina is strategically located as a gateway to some of the best beaches and several national parks. Restaurants, supermarkets and shops are situated within a few minutes of the property. Featuring 4 bedrooms, 4 bathrooms, open concept kitchen, spacious living room, dining room, and laundry room, this gorgeous 418 square meters home is characterized by having spacious rooms with gorgeous high ceilings. The gorgeous colonnaded porch gives the house a luxury appeal. Once you enter the home, you will be astonished by the beautiful interior design and abundant space in the great room and remaining rooms. The abundant outdoor gathering areas and swimming pool makes this area an outdoor entertainer's dream, and is perfect for special events, including birthdays and BBQs! The large shaded terrace provides you with views over the swimming pool.
