Oceanfront real estate is rare in Guiones – this house borders the maritime zone and has a walking path directly to the best surf break in Guiones. Its central location allows for an easy walk to everything in Playa Guiones. Playa Guiones is a highly sought-after location known for its consistent surf and wellness culture. The house is set back off of all public roads providing privacy – it is the ultimate secret spot in Playa Guiones. The 4-unit town house is cleverly distributed, so one can be a primary residence and run a profitable rental business (fully booked one year in advance during the high season by regular guests). Furthermore, the home boasts spacious bedrooms, a beautiful tropical garden, a covered gazebo, abundant storage space, and a walk-in laundry room. The design is inspired by Spanish colonial architecture and is set off the main road, making the property extremely quiet and its exclusive location is irreplaceable.
