This property boasts a charming 2 bed/2 bath main house, with an open-plan kitchen and living area that leads directly to the patio and pool. The outdoor space is essentially another living area - a great spot for gathering with friends or enjoying a quiet moment surrounded by nature. The bedrooms are located on opposite ends of the main house, and both feature patio doors that open to the pool area. A recently renovated 1 bed/1 bath casita offers both convenience and versatility. Complete with a full kitchen and a cozy living area, this addition is a haven for guests or an income-generating opportunity for rentals. Rarely seen in this sought-after area, the generous lot size presents an uncommon opportunity for expansion or customization.
