Property Description

The Sunset House combines the high-end design finishes and comforts of a cosmopolitan residence with the laid-back beach life. This space has a fully-equipped kitchen and two king size or twin bedrooms. Each bedroom has a full bathroom suite with a shower and private balcony. The stunning terrace offers scenic canopy views, perfect for making memories and special moments. Sunset House also features a pool, the perfect place to decompress after a surf session or to take a relaxing dip to refresh. The location is secluded enough to offer peace and privacy, but you'll be walking distance to North Guiones shops and restaurants. Sunset House is less than 5 minutes walk from the beautiful beach where the waves and surf await you. Feel free to reach out to reservations@surfingnosara.com if you have any questions!
