Property Description

Two Bedroom Casita in the perfect location. Tucked off the main on a dead end road between Playa Negra and Playa Junquillal allowing quick access to 4 amazing beaches. Junquillal and Negra are amazing surf beaches but you can also enjoy Blanca and Callejones in all it's beauty. This house is newly renovated with a modern and minimalistic design. Lots of Windows, to enjoy the jungle feel and looking onto the valley from the back deck. Peaceful and secluded, only a few houses on the street so you can enjoy feeling like your lost in the beauty of Costa Rica but lose enough to all the needed amenities. The lot next to the property is also for sale and would make a nice addition if you want to expand the footprint of this property.
