The master bedroom features its own en suite bathroom and closet, while the two additional bedrooms share a full bath. The open-concept living room is welcoming and bright, with elegant wood-framed sliding glass doors that lead to a large enclosed patio — perfect for expanding your living space in any season. In the back, you'll find a spacious kitchen next to a large laundry room that also doubles as a pantry. Beyond that is a second covered patio and a lush backyard with fruit trees, offering plenty of space for gardening, relaxing, or entertaining. The front of the home has a circular driveway with covered parking, adding both charm and convenience. Located in Monterrey, a peaceful community just across from Playa Esterillos Este and only minutes from the Town Center Marketplace.
