Property Description

Why We Love This Property Architectural excellence shines in this stunning home designed by the talented team at WR Architects within the Senderos Community, seamlessly blending modern style with the surrounding natural environment. Enjoy lush jungle views and a glimpse of the ocean from your private rooftop terrace, the perfect place to relax and take in the scenery. The home features four bedrooms and three and a half bathrooms, with an open-plan living area, a large covered terrace, and a two-car garage designed for comfort and functionality. The chef's kitchen, outdoor BBQ area, and high-quality finishes elevate everyday living, while an outdoor shower adds a true tropical touch. The glass-front infinity pool, complete with a living wall and cascading water feature, creates a private resort-style experience. The rooftop terrace provides an ideal setting for sunsets over the southern beaches and serene jungle views below.
